

Save your credits! Today I'm delighted to announce our exciting new policy which allows members to book properties available for exchange less than 30 days in advance for ZERO CREDITS and 30-60 days in advance for HALF CREDITS!

Last minute availabilities are ideal getaways for members who can travel on short notice and letting us know about your last minute availabilities is a great way to maximize the use of your property and receive credits equal to the full rental value when members book dates rather than wasting vacancies and having your property sit empty.

The "Availabilities" page of our site is always an excellent place to browse for vacation ideas (last minute or further in advance), here's a link to view it:

Today's five fabulous favorites are all available for exchange within the next 30 days. Pay only the exchange fee to book one of these beautiful properties (or any of the other properties on our site less than 30 days in advance) and no credits will be deducted from your account.

Please let us know if you have available dates you would like to trade in your vacation property for stays in the world's most luxurious collection of vacation homes and villas, boutique hotels, resorts, spas, castles, chateaux, penthouses, private islands, yachts and megayachts available for exchange at 90% savings!

Thank you so much, we wish you a wonderful weekend!

All the best,
Leah
