

Hello Members of TTT and Owners of Luxury Properties Worldwide,

I hope you are enjoying a festive holiday season! As we prepare to bid adieu to 2017 and welcome 2018, I wanted to let everyone know that from now through New Years Eve, we are rewarding members with 1000 Bonus Credits for each high season week that you deposit in 2018. That's \$1000 of barter credit on top of 90% savings when you use your credits to visit luxury properties worldwide!

All members are asked to host at least one high season week each year (this is the only requirement for membership). If you deposit high season dates at least 60 days in advance, you receive the credits immediately and you retain them even if the dates are not booked by a member. Members receive "Double Credits" for depositing weeks which include a major holiday.

For weeks deposited less than 60 days in advance, and for weeks which are not high season, you will receive the credits only if the dates are booked by members.

Also, I wanted to remind everyone that members can purchase credits @ \$200 per 1000 credits from now through December 31st. The cost to purchase credits is normally \$250 per 1000 credits, so this is a great opportunity if you would like to give fabulous vacations as holiday gifts to family and friends, or if you would simply like to increase your credit balance for future use. Credits never expire.

Please note that our exchange fees apply when using purchased credits. Members may contact their fellow members using the messaging system on our website to arrange trades (we call these "self-arranged trades") or simply let our staff know when and where you want to travel and we are delighted to arrange accommodations for you (these are "staff-arranged trades").

Our exchange fee for "self-arranged trades" is 10% of the rental value, saving you 90%. The exchange fee for "staff-arranged trades" is 20% of the rental value, saving you 80%. In other words, using the messaging system to contact owners cuts exchange fees in half.

Today's five favorites are beautiful hotels around the globe.

The spectacular 5 Star "Eastin Grand Hotel Sathorn" is the only hotel in Bangkok with its own direct access to the BTS Sky Train at Surasak Station, literally bringing the city to your doorstep. Boasting 390 luxurious rooms and suites, plus a fabulous infinity pool on the 14th floor with views of the imposing Bangkok Skyline. This deluxe property is centrally located in the Sathorn business district, a short drive to Suvarnabhumi International Airport. Guests enjoy superb meals in the hotel's three restaurants offering Italian cuisine, fine wines, authentic Chinese cuisine, sumptuous daily buffets and multi-ethnic a la carte items.

Serene at the Gates of Angkor is the 5-Star "Templation Hotel" in the heart of Angkor National Park, an ideal spot from which to discover Siem Reap, Cambodia. Revel in the sense of space and generous size of accommodations with the main swimming pool spreading beneath the majestic palm trees like a secret lake of pure crystal clear water, the spa nestled amongst ponds and aquatic plants, and 33 suites and villas, most with their own private pool. From generous and tasty breakfasts to a relaxed gourmet dinner, the chef has devised a menu to satisfy the most various tastes with Asian and Khmer offered alongside Western cuisine classics restyled with flair.

The Antiq Palace in Slovenia in the very heart of Ljubljana is an impressive 16th century palatial residence originally built for nobility with one of the most prestigious addresses in the city, 18 spacious suites, and boutique rooms individually designed with an inviting decor and the latest amenities. Careful use of natural materials including stone, wood and lime paints have preserved the unique character of this protected architectural heritage landmark. Frescoes, architectural details and other remnants of the hotel's illustrious past create an authentic, fashionable, and tranquil air. A proud member of "Historic Hotels of Europe" and "Castle Hotels & Mansions," as well as "Small Luxury Hotels of the World."

L'Hotel du Lac in Japan boasts stunning lake and mountain views from every room. Enjoy locally-sourced modern French cuisine, a shochu bar, an outdoor pool and large indoor bath filled with mountain spring water, and the tennis court. If you visit during the Spring, be sure to visit Kaizu-Osaki with its wonderful display of cherry blossoms. Then, take a lake trip to Chikubu Island with Higojiri Temple and Tsukubusuma Shrine or visit Nagahama to see the castle and Hoko Lakeside Park

The chic boutique "Z Hotel Zanibar" on an idyllic secluded beach blends elegant, contemporary design with traditional Zanzibari features to create a unique relaxing environment. Set in a lush, tropical garden with direct access to the white powder beaches and warm waters of the Indian Ocean, finished to a high specification by an international team of architects, each room has floor to ceiling glass doors leading onto a balcony looking out across the Ocean. Wifi in all public areas, including the pool, reception and restaurants with alfresco dining, Asian-fusion tapas, and sharing platters in our Cinnamon cocktail bar.

Please let us know if you would like to visit these marvelous boutique hotels or if you would like to deposit high season dates or purchase credits. We look forward to being of service to you and wish you a wonderful weekend!

All the best,
Leah
