

We hope you are enjoying a festive holiday season!

As we prepare to bid adieu to this year and welcome a new decade, I wanted to remind everyone that we are rewarding members with 1000 Bonus Credits for each high season week in 2020 that you deposit by the end of 2019. That's \$1000 of credit on top of 90% savings when you use your credits to visit luxury properties worldwide!

All members are asked to host at least one high season week each year (this is the only requirement for membership). When you deposit high season dates at least 60 days in advance, you receive the credits immediately and you retain them even if the dates are not booked by a member. Members receive "Double Credits" for depositing weeks which include a major holiday.

Also, members can purchase credits @ \$250 per 1000 credits from now through December 31st. The cost to purchase credits is normally \$500 per 1000 credits, so this is a great opportunity if you would like to give great vacations as holiday gifts to family and friends, or if you would simply like to increase your credit balance for future use. Credits never expire and no exchange fee applies when using purchased credits.

Today's five favorites include the jaw-dropping Waterfalling Estate on Hawaii which is available for exchange for two months: February 21 - March 20 and August 16 - September 16. Perched on a breathtaking oceanfront cliff, this epic 5 bedroom property is positioned to take advantage of postcard-perfect double waterfalls cascading majestically down to the blue Pacific below and the spectacular Olympic-sized infinity pool feels like your own private water park.

Beachfront Villa Aquazure is new to TTT, a beautifully designed 4 bedroom property in the exclusive neighborhood of Leeward on the northeastern corner of Providenciales in the Turks and Caicos Islands. The 3 bedroom main villa and 1 bedroom separate guest cottage each have a private plunge pool.

The Resort at Squaw Creek in California has a 2 bedroom, 2 bathroom Fireplace Suite which sleeps up to 6 guests available January 6-13 and February 24 - March 2 with ski-in/ski-out access to Squaw Valley and Alpine Meadows.

Windsor Castle Villa boasts 6 bedrooms, a game room with pool table, air hockey, foosball, electronic dart board, and a private swimming pool in Kissimmee, Florida near Disney World. It's available January 25 - February 1.

The Cape Codder Residence Club has 3 residences available the week of Memorial Day, May 22-29. Each of the 3 residences have 2 bedrooms sleeping up to 8 guests and amenities include a full service spa, fitness center, fun-filled wave pool, year round outdoor heated salt water pool with waterfalls and whirlpool, a 30,000 square foot Indoor Water Park, award-winning restaurants, entertainment and much more.

Please let us know if you would like to visit these or other members' properties, or if you have available dates you would like to trade in your vacation property for stays worldwide in vacation homes and villas, boutique hotels, resorts, spas, castles, chateaux, penthouses, private islands, yachts and megayachts at 90% savings!

Please note that our offices will close for the holidays today at 5pm Atlantic time and we will re-open at 9am on January 2nd. While we're closed, you can notify us via email or voicemail if you would like to purchase credits and/or deposit high season dates. We will send your paperwork when we re-open on January 2nd.

From our TTT family to yours, we wish you the most wonderful holidays. May 2020 be a fantastic year for you filled with fabulous travels!

Cheers!  
Leah
