

**Hello Members of TTT and Owners of Luxury Properties Worldwide,**

Happy 27th Anniversary to Trade to Travel!

My visionary mother, Vaniene Botens, had the brilliant idea to create a club for owners of vacation properties worldwide in August of 1991. That same month, the World Wide Web became publicly available. It was a big month for global ideas!

Like most people at that time, we hadn't heard of the internet, so starting a global company was a formidable undertaking. These days starting a worldwide company can be as simple as building a website, but Trade to Travel is so much more than a website. Decades before anyone heard of "experiential travel" or "the sharing economy," our dedicated staff made it possible for owners of vacation properties to share their assets and experience the delights of living like locals when they travel. All these years later, TTT has far exceeded my mom's wildest dreams and we are the ONLY exchange whose members are able to enjoy private islands and megayachts on a barter basis. Today's five favorites are a few of them!

To celebrate our anniversary, we're offering 1000 Bonus Credits for all high season weeks deposited by the end of this month (meaning next Friday, August 31, will be the deadline). If you have available dates that you would like to trade or if there is anything we can do for you, please let us know.

Thank you so much, we wish you a wonderful weekend!

All the best,  
Leah
