TRADE TO TRAVEL

You know how it is – you love your holiday home, but sometimes feel you might be missing out on other holiday destinations. Well, that's all set to change. Join Trade to Travel and your property will be awarded a certain number of points (according to its rental/market value). You can then 'spend' your points on more than 1000 luxurious second homes worldwide, from cottages and villas to ex-presidential yachts. And you don't have to 'swap' properties, so you can go whenever you like.
